8. If the amount is not fully paid for by the purchaser before the dates fixed above, the initial deposit as well as the other moneys already paid in shall be forfeited to Government and all or any portion of the timber not fully paid for shall be resold at the risk of the purchaser in the manner prescribed for default of payment of one-tenth value in clause 5 *supra*.

9. No timber lot shall be permitted to be removed by the purchaser unless it has been paid for in full, calculated at the rates at which the timber is knocked down to him at the time of sale, including the 10 per cent deposit paid for the lot at the time of the sale; and no timber shall be removed from the depot unless a permit is obtained from the Forest Officer in charge of the depot. The earnest money will not be adjusted towards the value of timber until 90 per cent of the purchase money over and above the security deposit has been paid.

10. Timber not removed after purchase will remain in the depot at the risk of the purchaser from the date of the confirmation of the sale.

11. If the timber is not removed within the time allowed, the same may, after ten days' notice to the purchaser, be sold in public auction and the proceeds will be given to the purchaser after defraying all the expenses in connection with the resale.

12. The deposit of Rs. 200 will remain as security for the due fulfilment of all and every one of the terms of sale, for the breach of any of which by the purchaser, the District Forest Officer shall be entitled to forfeit the deposit in whole or in part and in the event of such forfeiture, the sum so forfeited shall be immediately made good by the purchaser so long as the transaction is not finally closed. The security deposit or the balance thereof, if any, shall be returned to the purchaser after the full value of timber purchased has been paid for and the timber fully removed.

13. Interest will be charged on all belated payments at 6¼ per cent per annum from the date of their falling due up to the date of payment.

Notification dated 11th March 1939.

It is hereby notified for general information under Section 40 of the Mysore Forest Act that the undermentioned timber found unclaimed in the following locality has been seized and kept in the custody of the gentlemen noted below. Persons having any right to the said timber are hereby requested to furnish a statement of their claims to the undersigned, within a month from the date of publication of this notice and establish their claims, failing which the said logs will lapse to Government under Section 42 of the said Act.

N. VENKATARAMAIYA,
District Forest Officer.

OFFICE OF THE SUPERINTENDENT, THE CENTRAL INDUSTRIAL WORKSHOP, BANGALORE.

Notice dated 10th March 1939.

There will be a public auction of surplus stores and articles at the Government Central Industrial Workshop, Bangalore, on the 31st March 1939 at 2 P.M. These are all notified in the *Mysore Gazette* of March 9th, 1939 in pages 454 to 459. The articles can be inspected and any further information required obtained at the Central Industrial Workshop, Bangalore, during working hours.

B. G. APPADORAI MUDALIAR,
Superintendent.

OFFICE OF THE ASSISTANT DIRECTOR OF AGRICULTURE, BANGALORE CIRCLE, BANGALORE.

Notification dated 13th March 1939.

It is hereby notified that the mango crop on 158 trees of the Ramakrishna Krishisala at Kachanayakanhally, Anekal Taluk, will be sold by public auction at the Sala premises on 5th April 1939 at 2 P.M. by the Head Master of the Sala and the highest bidder is requested to pay up the entire amount of his bid on the spot and make his own arrangements for removing the crop. In default a resale will be held at his own risk and any loss sustained therefrom will be recovered from him as arrears of land revenue.

The auction sale should be confirmed by the Assistant Director, Bangalore Circle, Bangalore. The crop of trees other than the mango trees are solely reserved for the school. The person in whose favour the auction sale is confirmed should execute a bond with the Head Master, R. K. Sala, that he would not cut any trees for fuel or damage them in any manner.

B. DASAPPA,
Assistant Director.

OFFICE OF THE AGRICULTURAL ENGINEER, BANGALORE.

Notification No. 5 of 1938-39, dated 12th March 1939.

Notice is hereby given that sealed tenders will be received at the Office of the Agricultural Engineer up to 2 P.M. on 8th April 1939 for constructing a poultry house at the Rural Welfare Centre at Closepet.

2. An approximate estimate of quantities for the above work is given below. These quantities are not guaranteed. The work should be completed within one month from the date of acceptance of tender.

3. Earnest money of Rs. 60 in cash should be remitted under Revenue Deposit at the State Huzur Treasury, Bangalore, with a challan duly filled in by tenderers. The tender should be superscribed 'Constructing a poultry house at the Rural Welfare Centre at Closepet.' The tenders will be opened at 2-30 P.M. on 8th April 1939.

4. Subject to the formal sanction of the Director of Agriculture, the acceptance of any tender rests with the Agricultural Engineer who does not bind himself to accept the lowest or any tender or assign any reason whatsoever for the rejection of any tender.

5. Within a week of the acceptance of the tender, the successful tenderer will be required to furnish a cash security of five per cent of the value of the work and to execute the usual contract bond in default of which his tender will be considered as cancelled and the security deposit forfeited.

6. The name of the successful competitor whose tender has been accepted will be notified in due course.

7. After the acceptance of the successful tender the earnest money deposited on the refused tenders will be arranged to be returned to the parties.

8. Rates over the tendered rates will on no account be enhanced.

9. Quotations must be written in words as well as in figures.

10. The measurements checked by the Agricultural Engineer will have to be accepted as final.
